COMPANY INCORPORATION

The background of the slide is a grayscale photograph of a coal mining operation. It shows a large yellow haul truck on the left, a conveyor belt system in the center, and a large pile of coal on the right. The scene is partially obscured by a large, stylized number '02' in a vibrant blue color. The overall aesthetic is industrial and professional.

COAL TRADING

COAL MINING CONSORTIUM

Our Consortium maximises value and returns

To extract the **highest quality of product**, most **value** and the **highest returns** we establish **business consortium** with the **miners** and the **funders**. By this effective consortium, we are able to deliver broader resources, wide range of products, and optimum financing capabilities.

Future success depends not only on our commitment to quality product and capital discipline but also **social value**, which is our contribution to our **people**, the **environment** and **communities**. It informs the way in which we provide resources, achieve commercial success and make our workplace safe.

FUEL PRODUCTS

ULSD EN590

EN 590 is the current standard for all automotive diesel fuel sold in the European Union member states and other European countries. This grade of fuel is also called Ultra-Low Sulphur Diesel (ULSD).

We provide Standard Export Quality of:

- EN590 10 ppm (Euro 5)
- EN590 50 ppm (Euro 4)
- EN590 350 ppm (Euro 3)
- EN590 500 ppm (Euro 2)

Jet Fuel A-1

Jet fuel or aviation turbine fuel (ATF, also abbreviated avtur) is a type of aviation fuel designed for use in aircraft powered by gas-turbine engines.

We provide Jet A-1 the most commonly used fuels for commercial aviation, which is produced to a standardized international specification.

- Tank-to-Tank
- Tank-to-Ship

Note:

Buyer has the knowledge and ability to make the arrangement.

Buyer is responsible for undertaking the safe discharge of the cargo, as well as the cost involved, whether TTS or TTT

PAYMENT METHOD

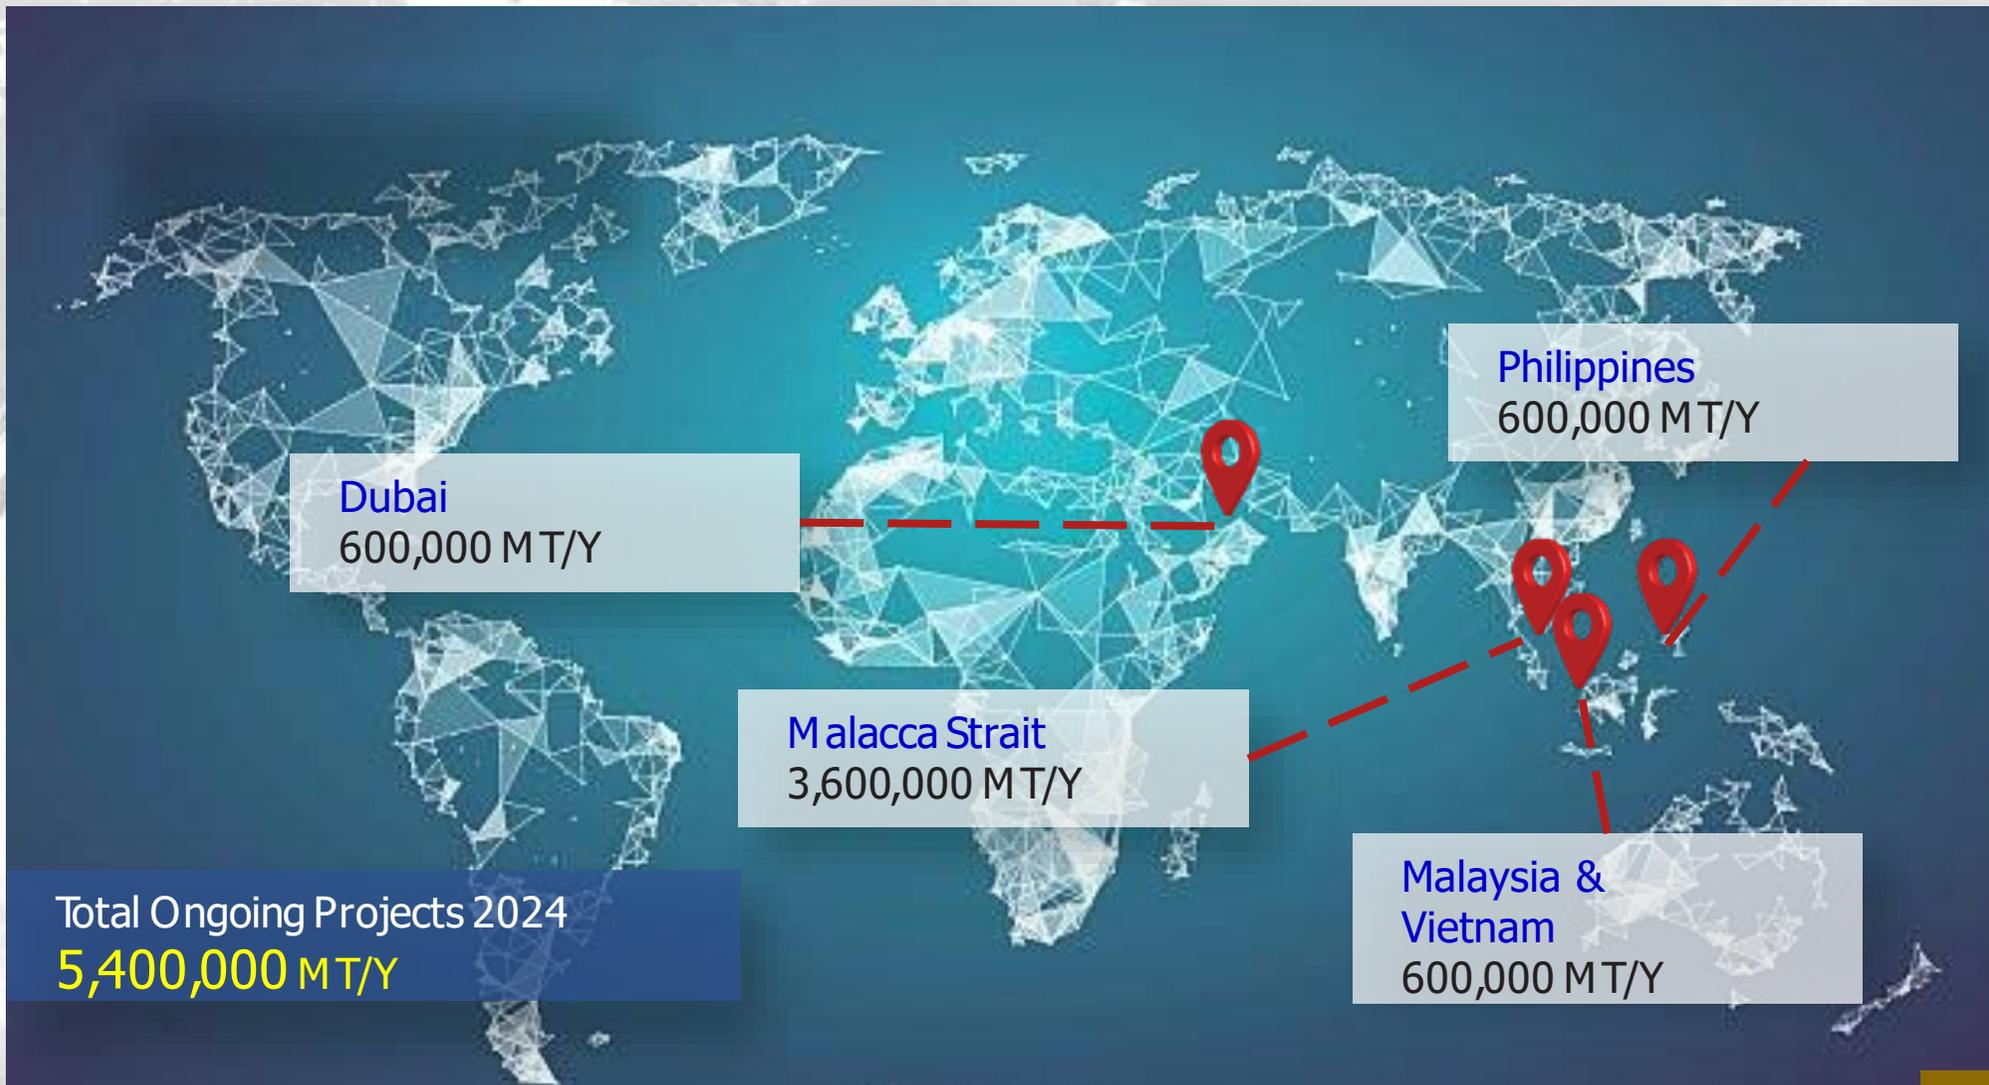

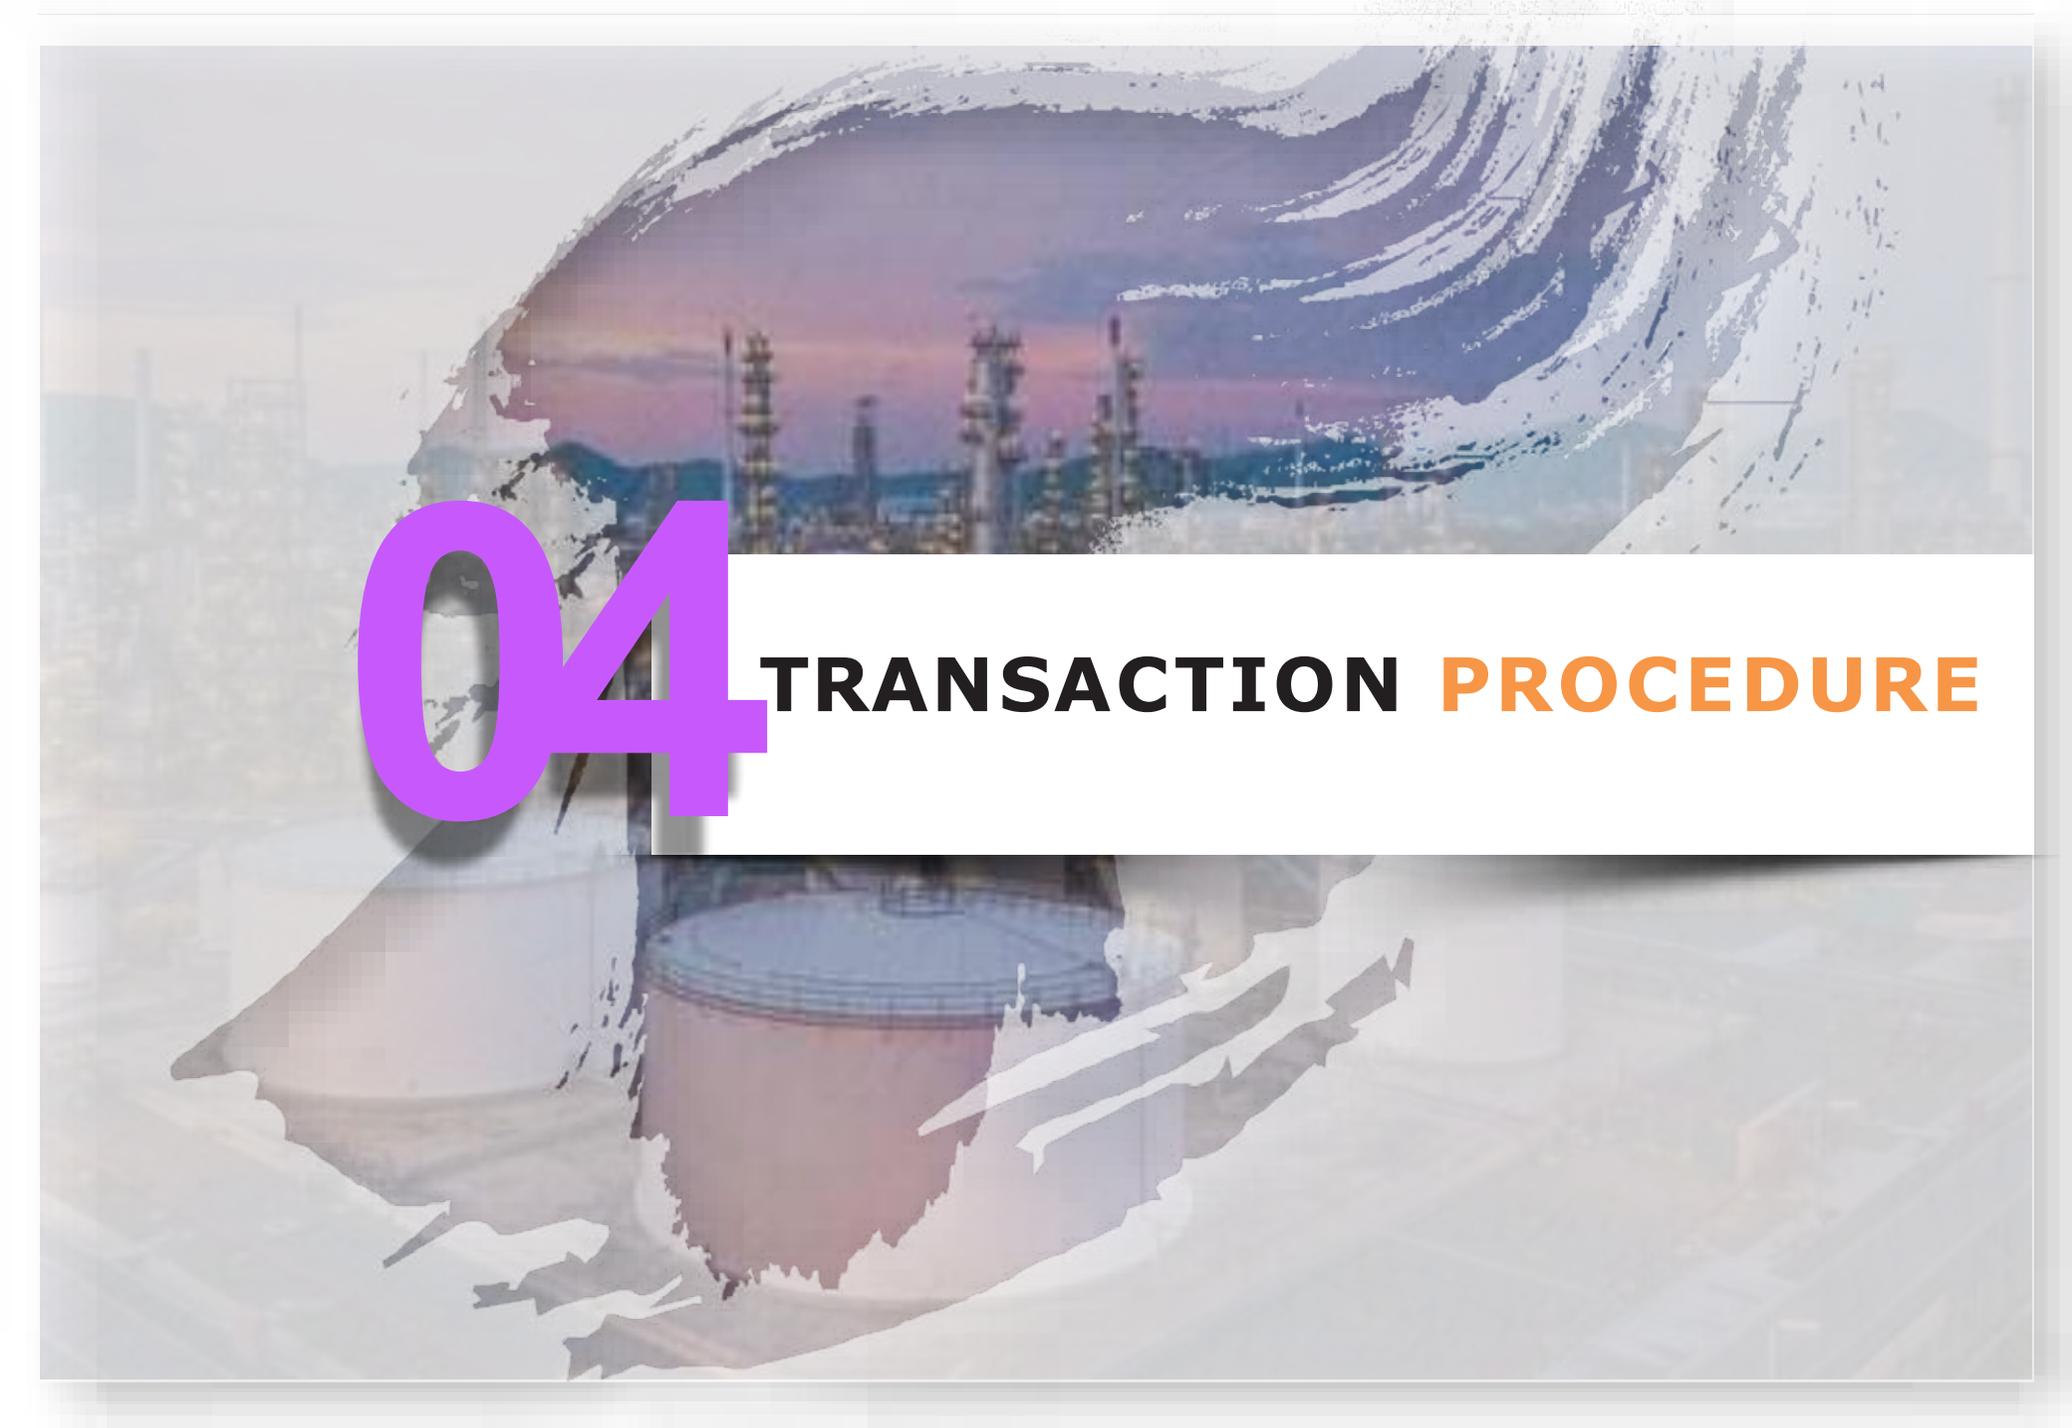

SBLC MT760 release payment TT MT103

Minimum Contract 1 Year (No Spot Deal)

PLAN PROJECTS (2024)

The background of the slide features a faded industrial scene with tall distillation columns and storage tanks. A large, stylized graphic of a torn piece of paper is layered over the image, revealing the text. The number '04' is rendered in a large, bold, purple font, while the words 'TRANSACTION' and 'PROCEDURE' are in black and orange respectively, all set against a white background that mimics the tear in the paper.
